

*On Michaelmas day Brother Dara returned from the northern islands, and he was much changed. The chieftain also returned, without many of his men/warriors*

*...not Northmen but dwellers (?) on an island in the sea*

*...the center of the valley, and it goes down into the depths of the earth. At the bottom lies a ~~pool~~ well from which the dwellers draw out water from the deep (abyss). This was told by Brother Dara*

*...the rites performed there and the fate of the village folk [illegible] too terrible [i.e., invoking terror] to describe*

*...and passed away in midwinter*

*[what I wouldn't give for a complete Latin text!]*
